UI/UX Designer I am a User Interface designer with strong UX sensibilities. With my professional experience, I have the ability to solve complex problems through beautiful on target designs that satisfy clients and users.

EXPERIENCE

Dennemeyer

Brasov, Romania
Nov 2017 - Present

UI/UX Designer

- Creating and maintaining Design Systems
- Designing and prototyping solutions for the IP users
- Communicating and pitching solutions to team members
- Working closely with different teams of developers

Mondly Languages / ATi Studios

Brasov, Romania
Feb 2014 - Jun 2017

UI/UX Designer

As part of the Mondly team from the beginning and the first designer there, I was responsible for solving a wide range of problems including:

- Designing the iOS, Android and Web apps
- Wireframing and iterating on potential solutions
- Designing and prototyping solutions for the users
- Validating through user research
- Creating app animations and presentations movies
- Building a Style Guide and making sure that it's used correctly
- Communicating ideas to team members and pitching the solutions
- Worked closely with developers to ensure we achieve a pixel perfect design
- I was involved in all aspects of the product lifecycle

Freelance

2011 - Present

UI/UX Designer

I worked on various freelance projects with a number of clients, including PhD Labs, ConnectGo, TeleLingo and SniperLab.

Developed visual design and UX for digital products, website and software applications for mobile devices.

EDUCATION

Transilvania University of Brasov

2011 - 2015

Electrical Engineering and Computer Science

Fundamental knowledge of programming languages, development of software and

applications for control of industrial processes.

No final certificate.

Dimitrie Ghika Technical College

2007 - 2011

Baccalaureate in Mathematics and Computer Science

Opportunity to combine an appreciation of mathematical reasoning with an understanding of computing.

AWARDS

Platinum / Top Level Designer

2017

99designs

Top Level (previously Platinum designers):
"These designers are the pinnacle of our community - and they've worked hard to get here! Their designs are of the highest quality, clients adore them and they're dedicated to staying at the top of their game."
